***Subject: Letter of Intent for Industry Support for MODROBS Proposal***

---

**Dear Sir/Madam,**

We are pleased to express our intent to support the proposal titled "**Modernization of Laboratory for Data Science and Big Data Analytics**" being submitted by your department under the **AICTE MODROBS Scheme 2025-26**.

We understand the importance of integrating industry requirements with academic infrastructure and skills. Our support shall include the following:

- Technical consultation in selection and usage of industry-relevant tools and platforms
- Expert guest lectures or hands-on workshops on data science and big data technologies
- Internship opportunities for students of the Data Analytics Lab

We are confident that this collaboration will help in bridging the industry-academia gap and benefit students in gaining relevant skills in emerging technologies.

We wish your department all the best for successful execution of the MODROBS project.

Warm regards,
